21/05/21

Dear Families,

Congratulations to our Year 3, 5 and 7 students for completing **NAPLAN Online** this year. Overall the online process went well with minimum technical issues. We will find out results later in Term 3 and will use the information to inform teacher planning, school direction and student goal setting.

On Monday and Tuesday of next week our school welcomes Katherine Holman and Rebecca Read who will facilitate our **External School Review** process. They will be speaking with staff, students and parents & Governing Council members.

On Monday we had our **school photos**.

MSP Photographers will be coming back on Friday the 28 May at 9:00am to take any absent or missed photos.

Today Happy Valley hosted the **Southern Valley District Regional Rugby Competition**. Our teams were very successful with our boy's team coming third and our girls winning their overall competition. The girls will go on to the state finals later in the term. Congratulations! It was a very long day and we know there will be some tired students tonight!

Today is the due date for families to submit their online applications for our Year 6 and 7 students for **High School**.

Kind regards,

Paul and Anthea
