

Grinch fudge

MAKES: 25 PIECES

INGREDIENTS:

- 2 2/3 cup white chocolate chips
- 1 can sweetened condensed milk
- Pinch salt (optional)
- Few drops green food colouring
- 25 heart sprinkles

METHOD:

1. Line an 8-inch square baking pan with lightly greased baking paper or non-stick foil. Set aside.
2. Place the chocolate chips in a microwave safe bowl. Microwave at 70% power for 90 seconds. Stir, using the residual heat to fully melt the chocolate chips. If needed, microwave for additional 15 second intervals.
3. Stir the sweetened condensed milk into the melted chocolate until smooth. If desired, stir in a pinch of salt.
4. Add food colouring to desired shade of green, stirring very well.
5. Pour the mixture into the prepared and place the hearts on top. For 25 pieces of fudge, make 5 rows and columns of hearts.
6. Chill until well set, about 4 hours. Cut into squares, one heart per square.
