## GRADUATION

On Wednesday and Thursday night, Year 6 and Year 7 students and their families joined staff at St Francis Winery to celebrate their **Graduation**. Our graduating students have spent time this term preparing for the evenings by planning their speeches, organising decorations, preparing a combined PowerPoint, working on their articles for the Graduation Magazine and practising both of the Graduation Dances. Both evenings, the students scrubbed up beautifully, and represented their parents and our school with pride.

Today, Mr Wright and Miss Bosworth's classes, showcased their Design and Technology learning with an Arcade Game Afternoon in the hall. These students have been working on designing and constructing arcade games, documenting rules and creating winning tokens. Classes were invited to attend the arcade this afternoon.
