Week 2 - Term 2

Dear Families,

Room 1 and 3 Class Update

First term has been a busy time for Reception students as they settle into the routine of school! In maths, students have explored concepts of patterns, repetition, and shapes. They were then we set a design task, first on paper to use pattern and shape to decorate a pot. The exciting part was to be able to transfer out ideas onto real terracotta pots! We hope that all our mums enjoyed their gifts for Mother's Day.
