Canteen News

Thanks so much for everyone who took part in our canteen survey. The feedback was very positive and constructive, and the Canteen has already implemented some suggestions. We would also like to acknowledge the amazing work of our canteen manager Maggie and our wonderful volunteers. If you would like to volunteer in the canteen, please contact Maggie at the school.

Below is some information about our school canteen service.

- We now have a Gluten Free tab on the QKR! App to make finding Gluten Free options easier.
- As always our salads, pizzas, sandwiches, rolls, and baguettes are made fresh each day.
- Healthier, homemade options have been added to the menu including pasta napolitana, pasta and meatballs, tuna mornay, pumpkin soup and sultanas. This will give parents more options and flexibility with food choices.
- There are now more healthier options available over the counter to purchase at recess and lunch time. Including popcorn, Gluten Free chips, sultanas, Homemade Cheesys (melted cheese on a roll) and homemade vegemite or pizza scrolls.

EcoLeaders

As part of the schools involvement in the Youth Environmental Leaders Program, our EcoLeaders attended another session with all of the other YELP schools within our district at Coromandel Valley PS on Tuesday 30th August. Students were involved in planning out new environmental initiatives that they will lead out across Happy Valley PS. All of the schools took turns to explain the reasons for making environmental improvements and elaborated on what they were hoping to achieve. Green Adelaide representatives were there to help facilitate the day as part of their educational programs. Thank you to Wendy and Nigel for their continuing support.

Kind regards

Paul, Jackie and Katharine
