Week 3 - Term 4

Dear Families,

Book Fair

Robyn has been working hard on the organisation and set up of our annual book fair which has been going for the last 2 days with great success. The Book Fair helps our school stock up on resources to enrich our

children's education. Best of all, it provides kids access to more books. More books means more choice, which means children get to read the books they want to read.

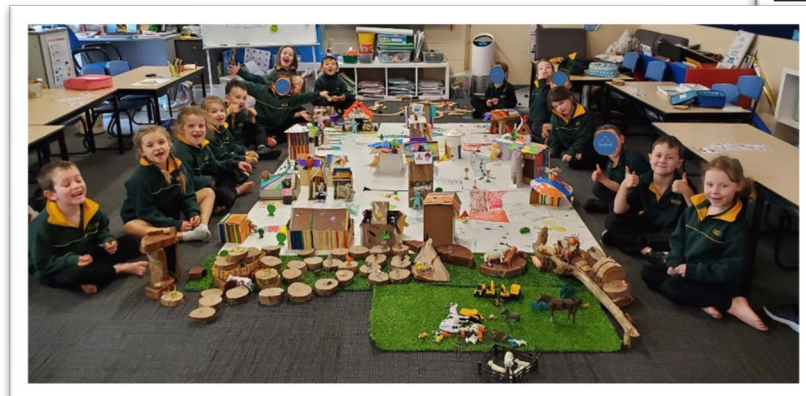

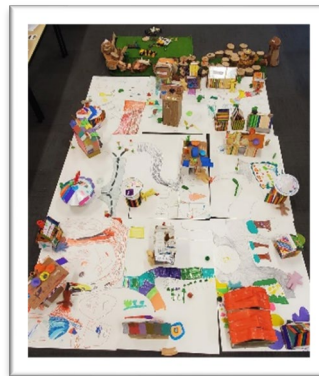

The right book can ignite a passion for reading, so we encourage families to work together to create a reading culture at home. Reading expands the mind and nourishes the imagination. The Book Fair will continue through to the 8th November.

Room 3 Teddy Town

Yesterday Room 3 created a Teddy Town! It is a combination of our science work on 'materials', design and technology, 'our community' for HASS all linking to our focus text 'The Three Little Pigs'. Students then used the new town for narrative writing. It has been 5 weeks of outstanding work culminating in a wonderful assembly on Friday.
