- Sports Day - Friday 15th April
- Last day of Term 1 – Friday 15th April

Week 7 - Term 4

Dear Families,

Annual Report

We are starting to gather all our data around our school's learning programs, site improvement plan, student progress, surveys, attendance, wellbeing and community initiatives. On reflection, it has been a rather complex year, but a rewarding one as well. The large absences of students and staff over the year due to COVID isolation has been challenging, combined with the scarceness of TRTs made for quite a stressful time. The upside was that even though we had some trying situations, we still managed to achieve many aspects of our site improvement plan and believe we now have set a solid foundation for what we want to accomplish throughout 2023. We are proud of our leadership team, staff, students and community in the way they have supported and cared for each other, and the dedication they have shown to continue our improvement agenda.

ICT Upgrade

Earlier in the year we had ASI Solutions conduct a thorough health check of the IT infrastructure of the entire school. It took several days to complete with ASI presenting their findings and recommendations to Leadership. Since then over \$70 000 worth of upgrades have been completed, with our system now having a very solid foundation for 2023 and beyond.

Hot Shots State Tennis Finals

On Tuesday 29th November, 8 students represented our school at the Hotshots Metropolitan State Final, held at Memorial Drive. It was a huge achievement to play at the tournament and whilst we didn't make the Grand final, we tried our best and had a great time!

Year 6 Graduation Dinner

On Thursday 8th December we say goodbye to our graduating year 6 students at their graduation dinner to be held at St. Francis Winery. Claire has done an amazing job organising everything from the venue, program, decorations, and logistics. A huge effort from her which is greatly appreciated.

Magazine

The year 6 students along with Claire have worked very hard to create our School Magazine. The time and effort they have all put into creating such a professional looking magazine is to be commended.

Casual Day

Our last Casual Day will be held on Monday 12th December with a gold coin donation that will go towards paying for our fireworks on Celebration Night. Students are welcome to come in casual clothes and may choose to dress in a Christmas theme.

Celebration Night

Celebration Night is fast approaching, and we are really looking forward to showcasing our school's performances to our community. Please support our fundraiser by purchasing tickets to win some amazing prizes. Don't forget to prepurchase tickets, which will help pay for the fireworks – in lieu of gold coin donation. Children under 12 are free. Big thanks to everyone who has donated items! We look forward to seeing you there!

ASSEMBLY AWARDS

U1R01

| | | |
|-----------|---|----------------------------|
| Chelsea | - | Learning Achievement Award |
| Scarlett | - | Responsibility Award |
| Declan | - | Learning Achievement Award |
| Maya | - | Learning Achievement Award |
