Week 2 - Term 3

Dear Families,

Mrs Loveday and Mrs James Year 2/3 Class

The curriculum specialists in the Department for Education has provided us with some "best practice" Units of Work. Our class has really enjoyed doing these. They have interesting books, videos and PowerPoint presentations to help us learn.

Year two and three are the years where students learn to be independent readers. Our class enjoys going to the library to borrow our own books that we are now mainly able to read ourselves.

Our class is very fortunate to have a very loved retired teacher, Mrs Saunders come and work with us on Wednesday afternoons. Every term she trains students in returning, borrowing and re-shelving. We really appreciate her time and expertise.

Next week our class is taking the Assembly on Friday. We will be presenting some of our work and singing our famous "All Star Song".

In this picture we are working on a Design and Technology task to present at our Assembly.

We are off to the Statewide Schools Knockout Netball Grand Final!

Game 1

Happy Valley def Our Lady of Grace 23-22

A huge win against a very good team who had 3 division 1 AMND players which one of those made the state team. We played a very controlled game and managed to hold off by the skin of our teeth.

Game 2

Happy Valley def Westport 27-10

We came out sluggish in the 1st qtr after the morning's awesome match and had to reset and get our minds on the job at hand. From there we were in total control and were able to throw a few kids into positions that they weren't comfortable with.

We now travel to Netball SA Stadium on August 28 for a Grand Final carnival against the remaining 5 schools. Well done to everyone involved and a special mention to Mr Carter who has trained these students!

Please be aware that we have our Pupil Free Day coming up on Friday 1st September and School Closure Day on Monday 4th September.

Kind regards,
Paul, Jackie and Katharine
